ISBN-13: 978-1861796806

Product Dimensions: 9.7 x 7.4 x 0.4 inches

Shipping Weight: 11 ounces 0.6880 pound

Â

Product Description:

This is Part 4 of the 2nd edition of Tafsir Ibn Kathir. The first edition of this book contained many formatting and typing errors. In this new edition, we have corrected all the errors found in the first edition. We have also re-arranged the structure and size of the books. We have divided this tafsir into thirty parts to correspond with the thirty parts of The Glorious Qur'an, and have published each part as a self-contained book.

Â

Our aim is to gather in one place, for the English-speaking public, all relevant information needed to make the Qur'an more understandable and easier to study. This book tries to do this by providing the following:

Â

1. The Arabic Text for those who are able to read Arabic
2. Transliteration of the Arabic text for those who are unable to read the Arabic script. This will give them a sample of the sound of the Qur'an, which they could not otherwise comprehend from reading the English meaning.
3. The meaning of the Qur'an (translated by Dr. Muhammad Taqi-ud-Din Al-Hilali, Ph.D. and Dr. Muhammad Muhsin Khan)
4. Background introductions by two famous Islamic scholars, Maududi and Ibn Kathir
5. Explanation (abridged Tafsir) by Ibn Kathir (translated by Safi-ur-Rahman al-Mubarakpuri)

Â

We hope that by doing this an ordinary English-speaker will be able to pick up a copy of this book and study and comprehend The Glorious Qur'an in a way that is acceptable to the understanding of the Rightly-guided Muslim Ummah (Community).
